*THE HERITAGE*  
VOLUME 2  
GRACE COLLEGE  
WINONA LAKE, INDIANA

# *DEVELOPING THE WHOLE MAN*

*Jesus increased in wisdom  
and stature, and in favor  
with God and man.*

Luke 2:52

*Convocation chapel and  
the start of a new semester . . .  
An ever increasing  
stack of collateral reading . . .  
Dropping your pencil and  
missing two pages of notes . . .  
Keeping an anxious eye  
on the progress of  
the library building . . .  
Blurry eyes, no-doz, popcorn,  
pepsi, all vital necessities  
of a late night  
“cramming session” . . .  
We study preparing ourselves  
for the future that  
the Lord has for us.*

## *Increasing in*

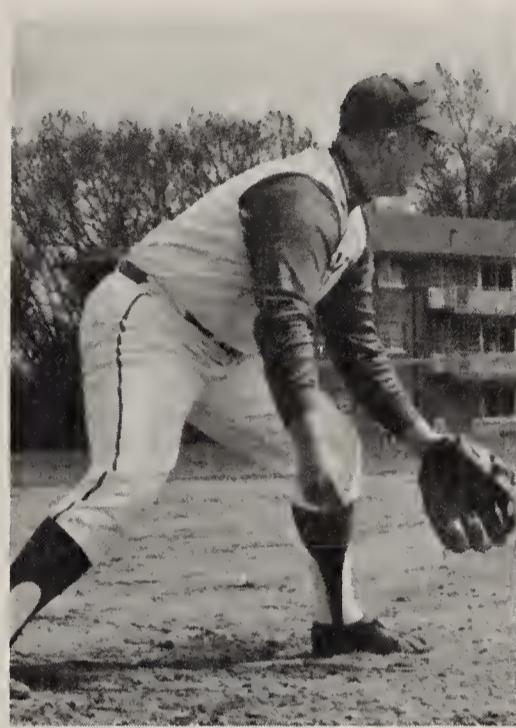

*Wisdom*

## *Increasing in Stature*

*Crack of the bat . . .  
the swish of the net . . .  
the snap of the string after a long mile run . . .  
a place on an all-conference team . . .  
a bath tub stuff . . .  
an intramural game . . .  
hours of practice and  
the reward of hearing the cheers of the crowd.  
Athletics develops the physical man and  
strengthens the inner man as we learn  
to accept the exuberance of victory and  
the humbleness of defeat.*

*A break from classes  
for the daily chapel messages . . .*

*The prayer tower,*

*the symbol of our spiritual heritage . . .*

*Missionary Conference brings the challenge to serve . . .*

*Campus Crusade shares Christ  
with other college kids on other campuses and at Daytona . . .*

*Spiritual Emphasis Week challenges us*

*"To know Christ and  
to make Him Known"*

*to make Him known*

*is the theme of this school and  
of each of us as we watch eagerly  
for His coming.*

## *Increasing in Favor with God*

## *Increasing in Favor with Man*

*The familiar cry of "ring" and  
the sound of the victory bell . . .*

*The everyday life in the dorm  
with the impromptu parties . . .*

*Rushing to the mailbox  
for that long awaited letter . . .*

*Talking over the day's events  
around the dinner table . . .*

*In various small ways  
our social life increases  
as our responsibility and concern  
for others grows.*

# SOCIAL

*We grew "in favor with man"  
as we sought to have  
our social life enriched  
by God's guidance.*

*September . . .*

*Arriving on campus for a freshman means . . . anticipation . . . loneliness . . . then making friends and laughing at yourself and your new friends during the antics of initiation week.*

*For an upperclassman returning means renewing friendships . . . settling into the familiar routine of your home away from home.*

## *Students Animate Campus*

## *Initiation Humbles, Unites*

## *Students Retreat to Camp Mack*

The spirits of the Grace College student body were undampened as the retreat began in a downpour. The day was marked by challenges and strenuous competition. The featured speaker of the retreat was Mr. Ken Anderson.

VW's motivated by man-power raced to open the variety of class competition. Spectators were amused and spell-bound as GU co-eds locked in a bone-splintering soccer battle. These and other events added up to a victorious day for the juniors.

The long-awaited beanie bowl gave the oppressed freshmen a chance to retaliate against the sophomore gestapo. Unfortunately for the "green beanied frosh," they "celebrated" their defeat by submitting to the lowly practice of eating supper with their fingers.

Everybody returned weary but refreshed from a day away from classes.

# *Seniors Dash to Geneva*

*Breathless from trying to outwit the juniors . . .*

*Refreshed after a weekend away from studies . . .*

*Warmed from the experience of growing closer to our classmates . . .*

*Reactions were varied after the seniors made a midnight dash to Lake Geneva, Wisconsin. The disappointment of being detected by the juniors was soon forgotten in the excitement of taking a boat excursion on the lake or in the serenity of an autumn walk in the woods.*

*We went back to the nineteenth century in antique Wilmot, Wisconsin. Then we were whisked to the eerie land of witches and goblins in a genuine coffee house.*

*We remember best that our hearts were challenged and our eyes pointed to the future as we as seniors considered and submitted ourselves to God's will for our lives.*

*Barbara Kouba*

## *"The Torchbearers"*

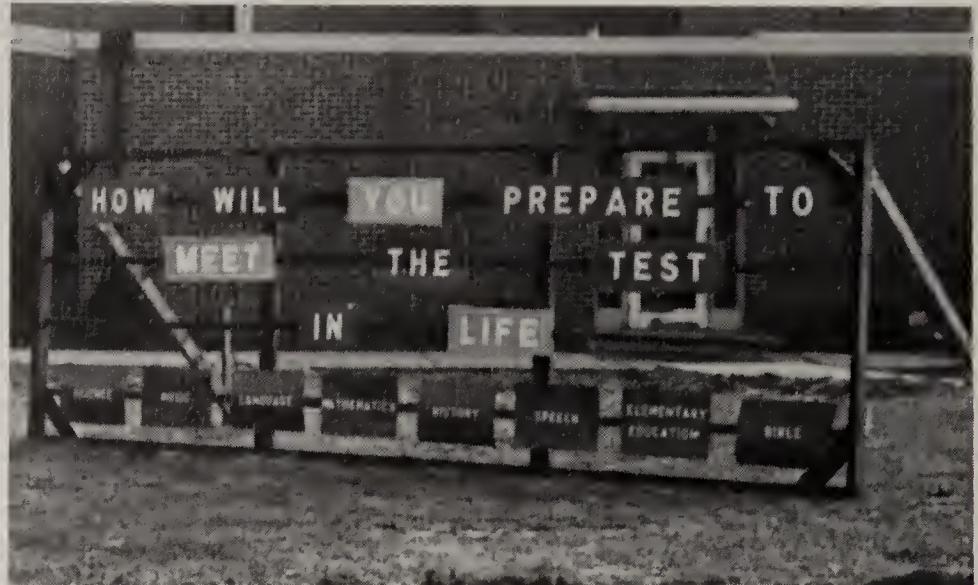

FIRST ROW: M. Laurenson, S. Grill, M. Anders, M. Barnett. SECOND ROW: P. Lance, F. Baker, C. Boatman, C. Ingalsbe, Y. Rathson, L. Toirac, L. Ashman, D. Goodman.

Bearing the torch of drama on campus this year in the absence of Mr. Donald Garlock, assistant professor of English and Speech, and also in an attempt to instruct his play production class, Mr. Merlin Berkey directed "The Torch Bearers."

This play tells the story of an amateur little theater group and the first performance of the play they present. It brought about a rollicking affect on the audience as the play showed what went on behind the scenes at the performance. Hours of practice, messy make-up and ad-libbed lines comprised the efforts of the aspiring thespians.

# *Homecoming Basketball Beauties Banquets*

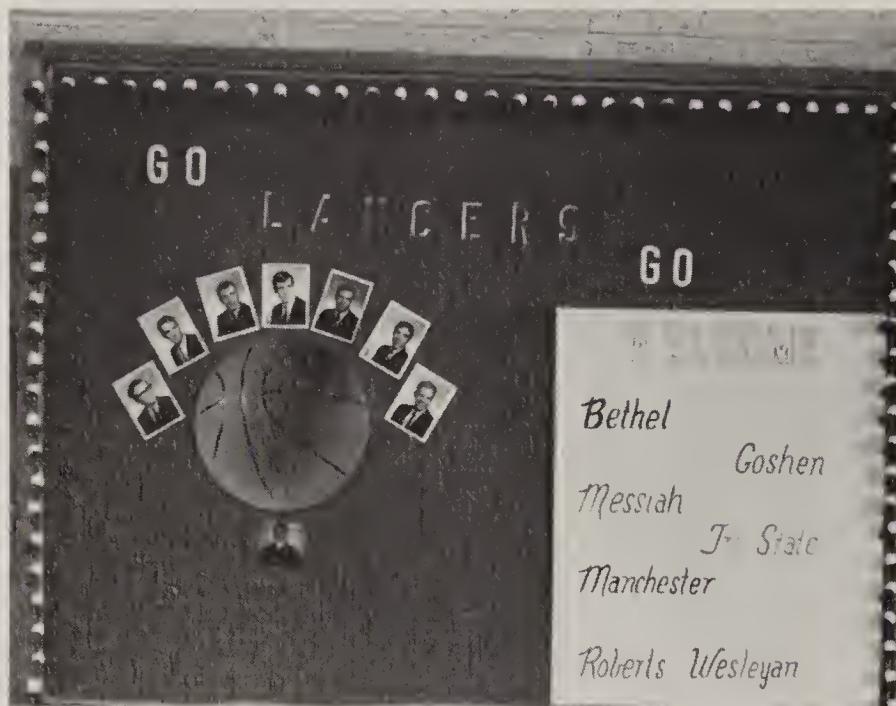

Cheering crowds, victors' smiles, beautiful queens . . . Homecoming 1967. The week was hectic, with sleepless nights, planning and building decorations, and then a Junior victory displaying the theme "Meeting the Test."

The Thanksgiving banquet featuring Mr. & Mrs. Fred Beveridge and Rev. E. Lewis marked the beginning of the festivities.

Parents and friends poured on to the campus. Alumni were reminiscing. High school students came planning and looking ahead.

The eight team Turkey Tourney brought tough competition and second place honors to the Lancers. The highlight of the weekend was the coronation of Queen Pam Osborn and the presentation of her court . . . beautiful queen amidst cheering crowds and victors' smiles.

*“Meeting the Test”*

## *1967 Homecoming Court*

*Sandra Rogers, freshman attendant; Barbara Kouba, senior attendant; Dian Horein, junior attendant;  
Queen Pamela Osborn; Cynthia Rogers, sophomore attendant; Margaret Humberd, senior attendant*

## *Reception Honors Queen Pam*

Dale McDaniels, Sandi Rogers, Richard Marshall, Dian Horein, Steve Damer, Meg Humberd, Mark Pifer, Queen Pam, Barb Kouba, Mickey Creed, Cyndi Rogers, Gary Garber

The Butt family from Peru provided the entertainment for the Dorm Senate Christmas Banquet, "T'was the night before Christmas."

*We created a Christmas world of pine and song and sparkling, colored lights. We worked together and loved one another a little more as we thought of the priceless gift God gave on that first Christmas.*

## *Sadie Goes Swiss*

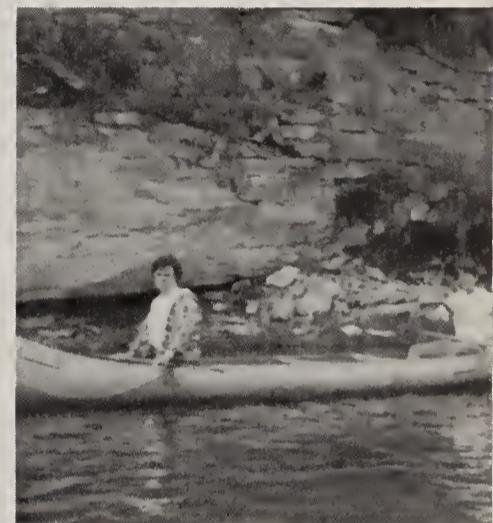

*Sadie's Ski Lodge furnished with fireplace, cuckoo clock, and the happy laughter of Swiss G.U. gals in their gay flowered skirts and guys in their suspenders and mountain climbing attire blended together to set the atmosphere for the WRA theme "Sadie Goes Swiss." A buffet-style supper of foods of Switzerland and surrounding countries added to the enjoyment of the day. The evening was highlighted by the showing of THIRD MAN ON A MOUNTAIN.*

# *Sugar Creek Provides Adventure*

*A beautiful spring day, scenic Sugar Creek, and a friendly snake combined adventure and challenge for twenty G.U. canoeists. Trees in blossom, covered bridges, "little rapids," and an upset canoe here and there made one appreciate the warm campfire after the eighteen mile trip which ended in Turkey Run State Park.*

*May 1, 1968, at Grace could easily have been a traditional May Day in 1890. May Queen Sonnie Preda reigned over the festivities that were reminiscent of a day gone by—the mellow blend of a barber shop quartet, a horse-drawn carriage, home-made ice cream, the frenzy of an obstacle race . . . A steak barbecue and lawn concert ended the celebration. It was an action-packed day, an olden day, truly a day out of the past.*

## *May Day—1890*

Steve Young, Bonnie Pauley, Norm Schrock, Jane Cooper, Dale McDaniels,  
Queen Sondra Preda, Cyndi Rogers, Max Anders, Vivian Byers, Ron Weimer.

*The Tipton Trio*

*Richard Cass, pianist*

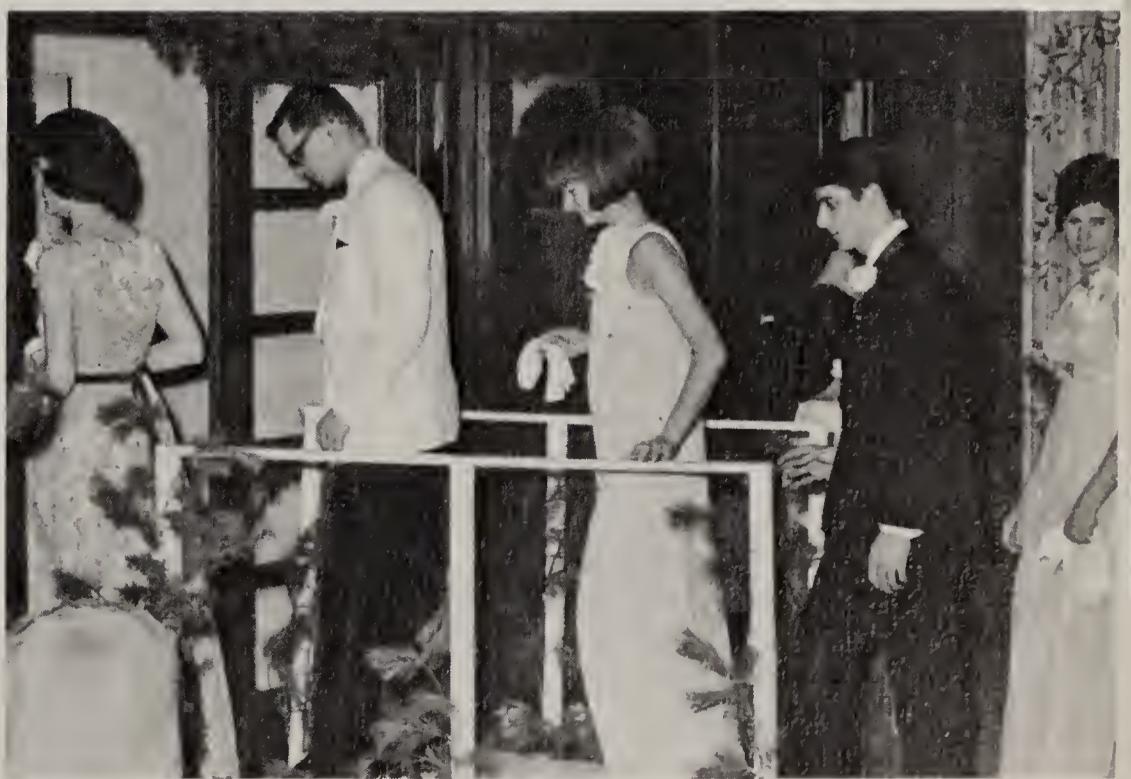

## *Forest Fantasy*

After many hours of hard work the freshmen and their guests, the sophomore class, donned formal attire and attended the Freshman-Sophomore Banquet held at the Winona Hotel. Crossing a small foot bridge into the banquet room, they found themselves in "Forest Fantasy."

The Harbor Lights quartet from Grand Rapids, Michigan, presented a musical package of gospel songs preceding the speaker of the evening, Rev. Robert Andrews, of the Light and Life Hour.

Following the banquet, there was a premier showing of Ken Anderson's film, "My Favorite Phony," which many of the group were in.

Ascending to the ninth floor of the Elkhart Hotel, juniors, seniors and their guests entered into the romantic world of France under the theme "Springtime-Season of Love." The master of ceremonies for the evening, Rev Tom Julien, missionary on furlough from France, showed slides from "behind the scenes" at GU as he impersonated a Frenchman returning to his native land to show what the private, small college was like in America.

The featured entertainment was Mr. Ira Gerig, of Fort Wayne Bible College, vocalist and pianist. Mr. Gerig included in his program a section on proper music for a Christian wedding.

## *Printemps, Saison d'Amour*

## *Seniors Conclude College Days*

*That long awaited day finally arrived. Dr. Douglas McCorkle of Philadelphia College of the Bible delivered your Commencement Address as your college days were brought to a close. You received your diploma, said good-bye to old friends, and stepped forth as alumni of Grace College.*

*Dr. Douglas McCorkle*

## Student Council

Serving to represent the students, Student Council consists of the student body officers and the president and elected representative from each class. The council seeks to meet the needs of the student body—physical, mental, and spiritual. Physically through the many activities it provides: the annual fall retreat, homecoming, hayride, canoe trip. Mentally it seeks to stimulate our thinking by offering chances to voice our opinions and encouraging us to "academic fervor." The highlight of this year's council fell in the last aspect, the spiritual. This spring the council initiated Spiritual Emphasis Week, featuring Rev. Jim Custer. Under the theme "Don't Just Stand there . . . Grow!" we drew closer to God as Jim spoke with us.

**STANDING:** Ed Lewis, president; Kathy DeArme, girls' president; Jeanne Foote, girls' vice president; Bonnie Pauley, secretary-treasurer; Ed Cole, chaplain; Dean Uphouse, advisor; Dean Kreigbaum, advisor; Dale McDaniels, co-social chairman.

## Lancers Boast Winning Season

A new offense distinguished the Lancer five this year. Coach Glen "Chet" Kammerer led his men to the most victorious season ever recorded in Grace history. Unity was a basic characteristic of this year's team and combined with the vigor and skill of each man the victories were brought home often. The highlight of the year—defeating Goshen 110-109 on the Mapleleaf homecourt.

Mike McCoy and Jerry Ryman were awarded positions on the All-Conference first team.

## Lancerettes

Determination and spirit marked the efforts of the Grace Lancerettes. The Lancerettes struggled through many difficulties during the season but finished the year triumphantly. The team, coached by Mrs. Richard Messner and senior Tom Dilling, practiced hard and saw the vital need of unity as a team and also for unity in Christ. The girls confronted teams from Goshen, Huntington, Malone, Manchester, and Taylor.

Mats, parallel bars, rings, the trampoline and the balance beam offer a wide variety of activities to the members of this organization.

## G-Club

Seen on campus are familiar looking red and white jackets supporting a big letter G. What does this mean? It is the distinguishing mark of those men who have lettered in any of the intercollegiate sports offered at Grace. G-Club is an athletic organization for sports-minded men. Even with the attaining of a letter, each potential candidate for membership must experience initiation, G-Club style.

Throughout the year the club runs the refreshment stand at basketball games and sells programs at the homecoming games.

The steak fry and the awards banquet highlight the end of the year.

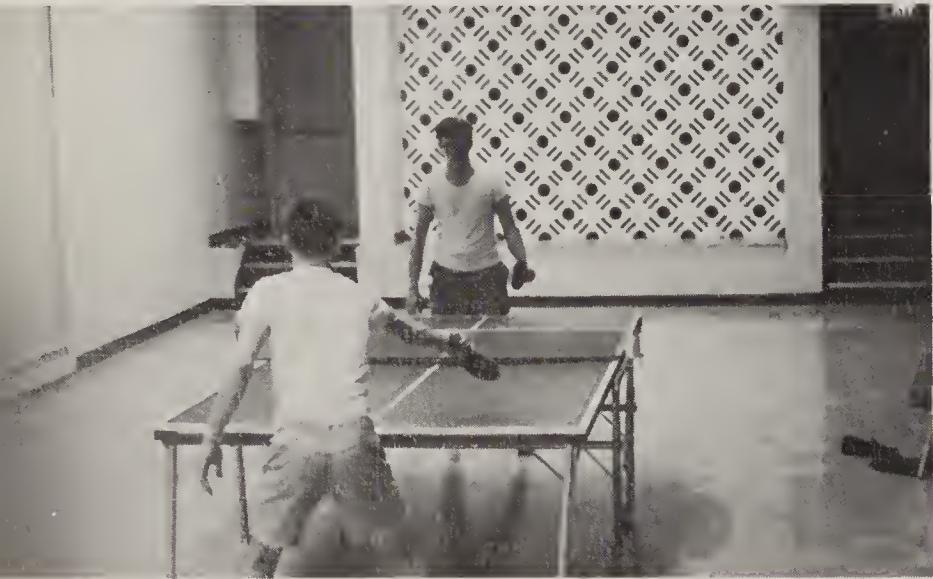

## Intramurals

*Participation in intramural sports is open to anyone enrolled at Grace, and provides a welcome respite from the books. Not only is the mind to be educated and exercised but so is the body to be exercised for God's use.*

*Terry Shrock headed the intramural program for men this year. Barb Camp supervised the women's intramurals.*

The theme of this year's missionary conference, "We Faint Not," was portrayed by displays of missionary work and impressed upon hearts by each speaker.

The missionaries representing different continents emphasized that Christians are debtors to Jesus Christ and should carry the gospel to all parts of the earth.

## *Representing Grace College*

*Representing Grace College . . . These were the words heard in many churches throughout the United States during the summer as teams toured the country. Decisions were made and lives were changed, as a result of this musical ministry.*

*Although classes resume in September, the ministry of the gospel teams continues. Each school weekend teams like these work together with new groups to present programs throughout the Midwest.*

*"Fun in the sun" was the call to all Campus Crusade members over Easter vacation. The real purpose for the trip to Florida was to share Christ with other kids on the beach.*

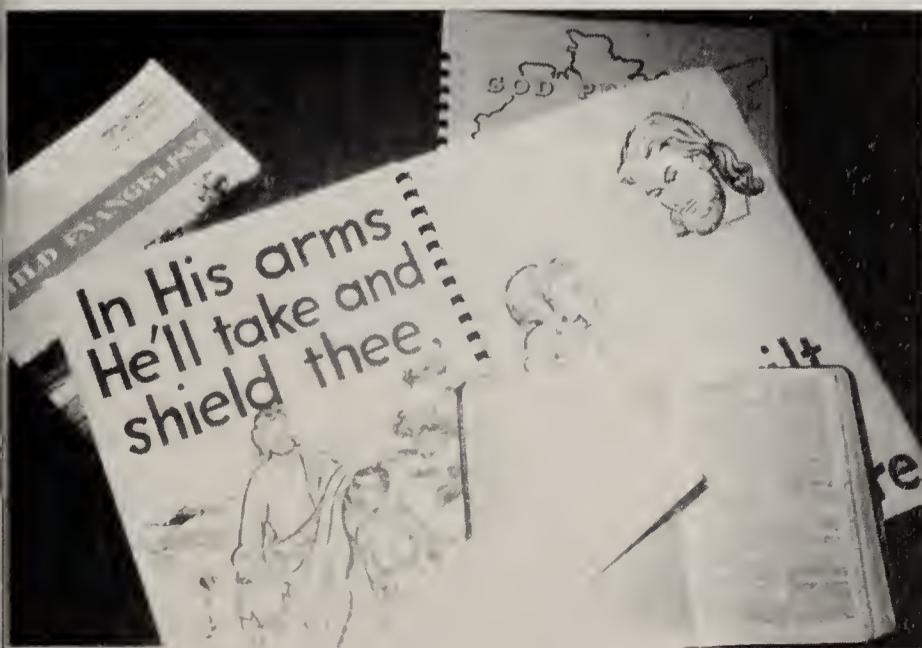

## *Sharing Christ with Others*

"Ye are my witnesses . . ." Every student at Grace College has the privilege to use his talents in some channel of service for Christ. These opportunities range from teaching a Sunday School class or supervising a youth group, to witnessing at the nursing home or on a near-by campus.

Christian service is not limited to organized activities; each student realizes this as his Christian responsibility—to be a witness.

## *The End of the Beginning*

*The beginning parallels what will follow. We tend to approach graduation as though it is synonymous with ease, relaxation, and immediate success. However, our experiences in Grace College have taught us that even as we pass through various vicissitudes of life here, so we shall face more of the same as we strike out into life as something other than formal college students.*

*We reflect upon our fourth year—the Penny Fair, the Sneak, the Freezeout Hayride, and various other events. Our appreciation grew for the quiet but constant support from our advisor Professor Snider. Ultimately and simultaneously our confidence has mounted to prepare us to continue from this beginning.*

*Our beginning has been good and correctly oriented in a Christian atmosphere. But it is our forward-looking hope that we may all breathe more diligently of the Breath of Life.*

## Victorious Junior Year

*The junior year is the year of the hustle. It is stop the senior sneak, go to socials, work on homecoming decorations, and plan the Junior-Senior Banquet. Yet, amidst all the hustle, we endeavored to keep our eyes on Christ, our example.*

*Success came our way as we exposed the senior sneak and won first place for our homecoming decorations. These achievements were made possible only through class unity. Socials helped to bind us together as we laughed with each other at our baby pictures at the "Regression Session" and as we fellowshipped at our outdoor steak fry. We were drawn together spiritually at our "Spontaneous Sing" and discussion sessions. The Junior-Senior Banquet climaxed our efforts for the year. We have appreciated our advisor "Chuck" Henry and his counsel and encouragement.*

*It has been a great year, but while we reminisce, we also eagerly anticipate what the Lord has in store for us; the future is as bright as the promises of God.*

## *Sophs Enjoy Initiation*

*We as sophomores have come to realize the importance of a Christ-centered education. In our fast-moving society it is necessary for man to have direction and purpose if he is to experience an abundant life. Our lives have been given this direction and purpose by our Lord through the institution of Grace College.*

*Under the leadership of Dr. Humberd we have contributed to the social atmosphere of campus life. We experienced a successful initiation, also a Beanie Bowl victory and then a frightening Halloween Party with the appearance of the Great Pumpkin. A more-lasting contribution to social life was the redecorating of Lancer Lounge.*

*As we look to the future, we have faith in the potential of an education through Christ. This life He will give us will be unmatched by any ethics or philosophies that man can offer. "I am come that they might have life, and that they might have it more abundantly." (John 10:10b)*

## *Great Expectations*

*Our first year at Grace has been successful as we began molding a new class. The year began with initiation through which each of us bravely endured. Unfortunately, we were plagued with our green beanies for an extra week after losing the Beanie Bowl by one point.*

*Things brightened up a bit as our class worked together on homecoming decorations for the Seminary building. The next project consisted of working on the annual Talent Show.*

*The highlight of our year was the Freshman-Sophomore Banquet, "Forest Fantasy." We called on the talents of members of our class to make toadstools, trees, and a bridge. We could not get the weatherman to cooperate though . . . four inches of snow fell! Even though the forest was a white blanket, everyone enjoyed the banquet.*

*All in all, our first experience has united our class and built each of us mentally and spiritually.*

## *A Tribute to Roland*

*Roland Makeieff*

*We have met together today in memory of Roland Daniel Makeieff. The students of Grace College have many memories taken from a short period of time that will last an eternity.*

*Some will remember Roland as a teammate, for he displayed his athletic ability on the soccer field. Some will remember him as a classmate, for he displayed excellent intelligence, reasoning ability, and self-discipline in academics. Some will remember him as a friend in conversation.*

*Those who were closest to Roland will remember his spiritual leadership and Christian character. As fellow students we ask what type of man it is who will leave his family and native country to travel thousands of miles over language barriers and culture barriers into another land to study. We ask—and conclude that it takes a strong, self-disciplined, confident man.*

*Here was such a man who was just beginning to make full adjustment. He seemed to have much promise, and we were not privileged to see him reach his full potential.*

*We do not ask why because we know that God is in control and we have confidence in that knowledge. As the fifteenth chapter of First Corinthians states it—"Death is swallowed up in victory" for the Christian.*

*"But thanks be to God, which giveth us this victory through our Lord Jesus Christ." The last verse of the chapter points out to us that the knowledge of this ultimate victory is a motive to service for the Lord.*

*Roland was evidently following this motive for he had a strong desire to receive training and to go into full time work for Christ back in France.*

*Now he has received the ultimate victory.*

*The student body of Grace College has been privileged in that God chose to set this example in our midst for a short period of time.*

*As students, we extend our Christian concern and sympathy and our Christian love to the parents and relatives of Roland Makeieff.*

*A tribute by Steve Young,  
Student Body President, on  
December 30, 1967, at the  
funeral of Roland Makeieff.*

## *Yearbook Representative*

*Mr. Jim Arthur*

*A year has ended.  
Our lives have changed  
from being a part of  
the Grace heritage.  
We grew academically  
as we studied and  
prepared for classes . . .  
We grew physically  
as we spent hours  
in strenuous activities . . .*

*We grew socially  
through close relationships  
with friends and through  
the experience of planning and  
organizing activities . . .*

*We grew spiritually  
from the opportunity we have  
of serving our Lord . . .*

*And so this yearbook  
is presented to those who are  
a part of the Grace heritage—  
a heritage of developing  
through Christ.*
